Summary

Introduction

Omega Agro Group is a family owned business that was founded in March 2021, with a clear idea of creating the best plantation of *Table Grapes* in Serbia with both regular and seedless table grape varieties. We currently have 20ha planted and plan additional 80ha more.

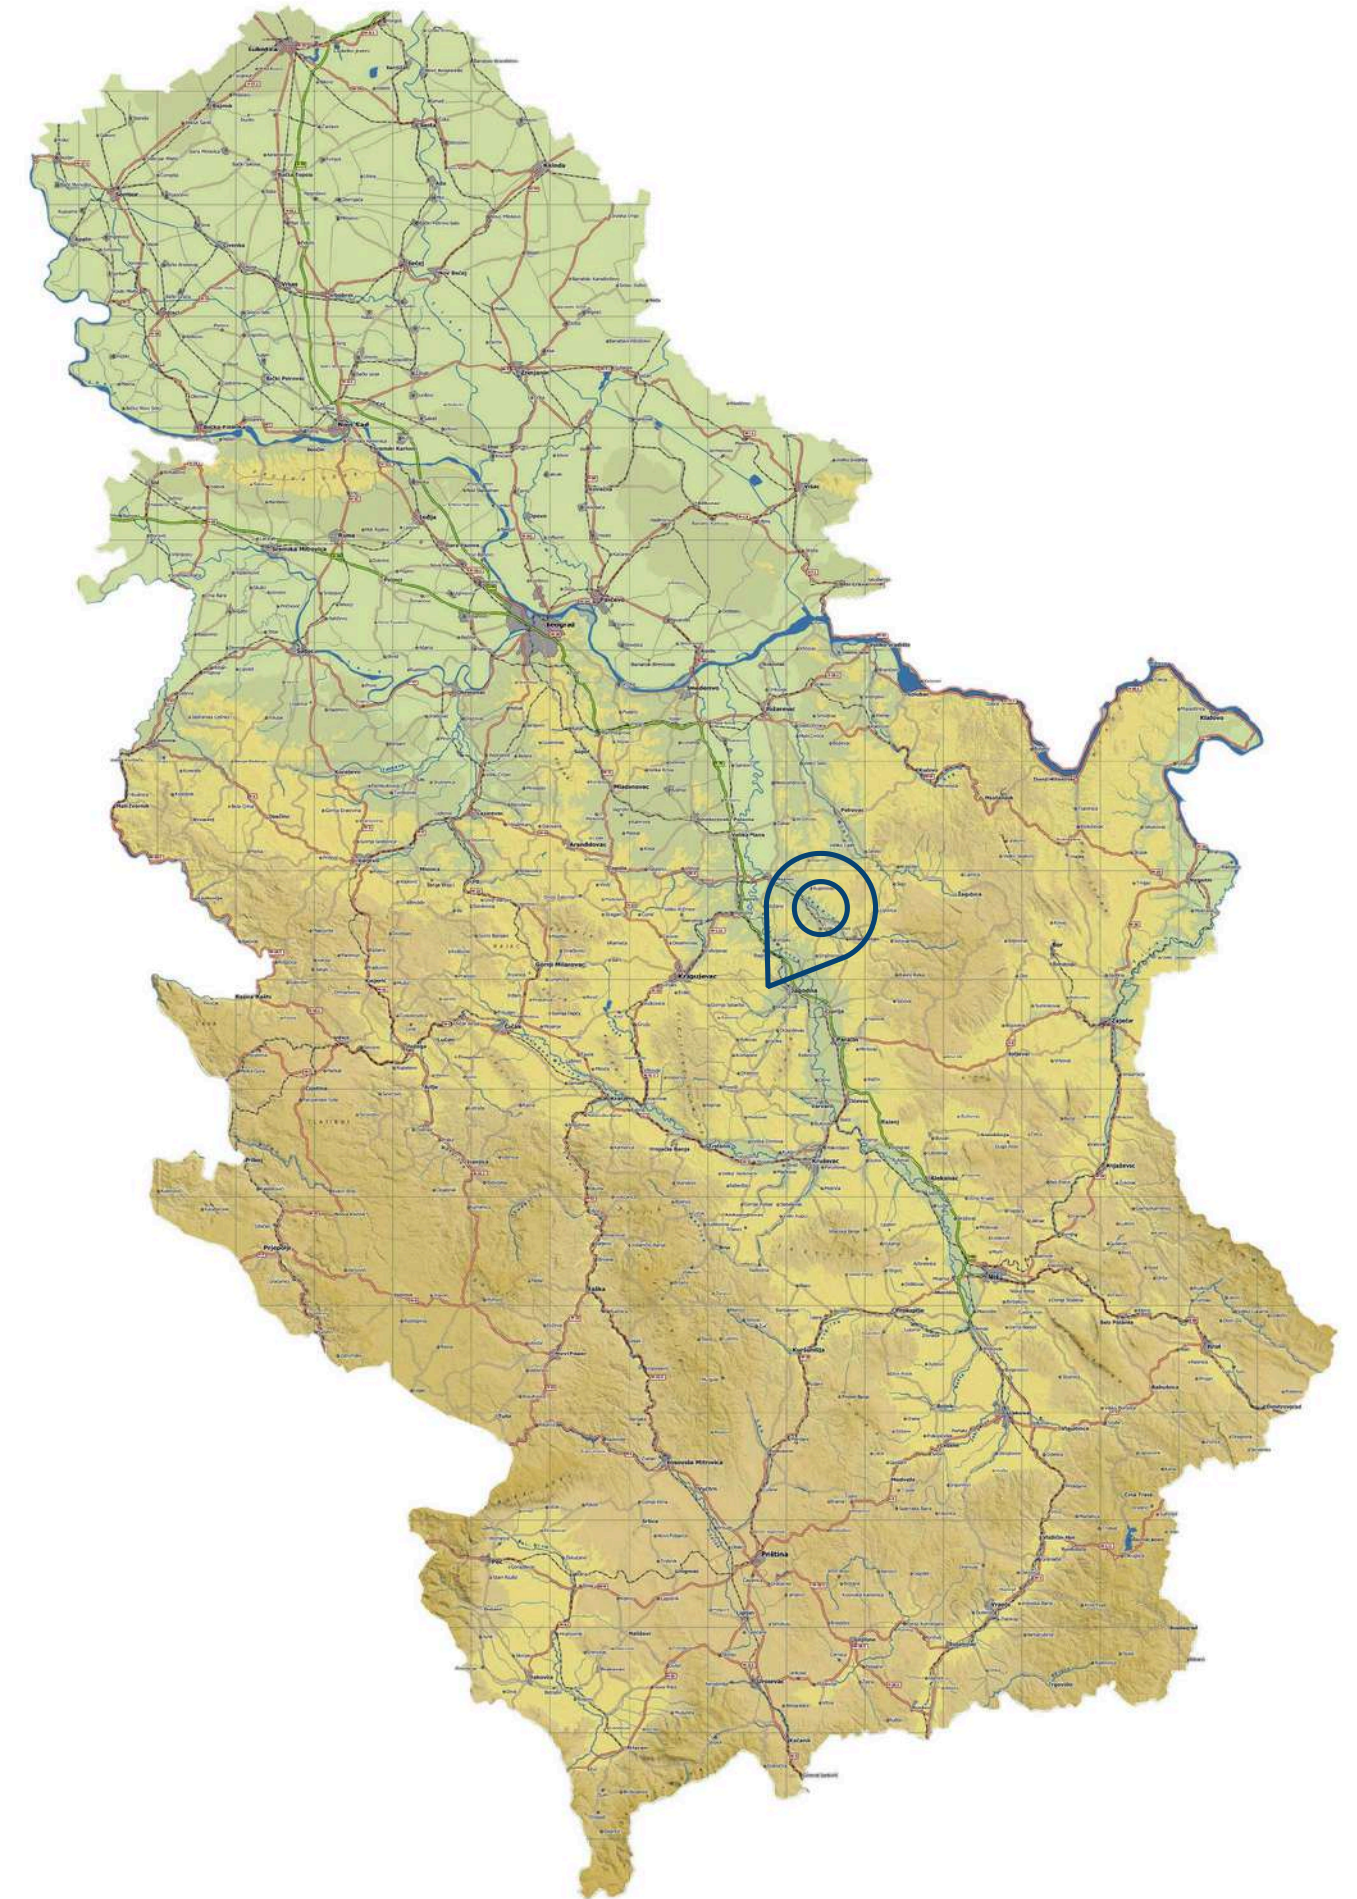

Presentation Of The Current Plantation

Current Plantation

We currently have 20ha planted with 8 different grape varieties, water irrigation system, anti-hail net and cumulation lake. Plantation is located in the [Central Serbia](#) region, [Tri Morave](#) subregion, close to the city of Jagodina. This region is famous for several well know wineries such as: [Temet winery](#), [Cilic winery](#), [Lastar winery](#), [Piano winery](#), etc. Location was picked by conducting a numerus research of weather and land potential that gave the best results for the micro location of our plantation for Table Grape production.

Location

- 150km from the city of Belgrade
- 150km from Airport “Nikola Tesla” Belgrade
- 120km from Airport “Konstantin the Great” Nish
- 400km from the port of Bar, Monte Negro
